“Rocket Dog is consistently the top in terms of flexibility, customer service, and [dog] care...”

-THOMAS B.

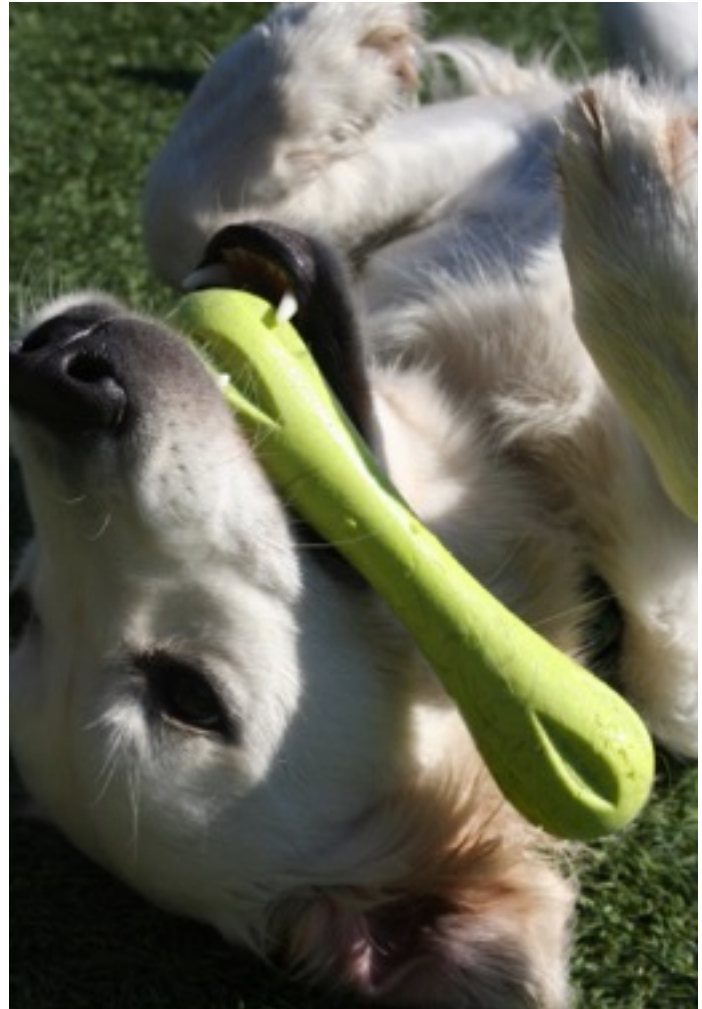

WELCOME TO THE ROCKET DOG FAMILY!

Rocket Dog Care is a family-owned small business comprised of a two-lot turf backyard and an entire house - all for the dogs! Your pup can play outside or indoors in their very own living room and kitchen: providing them the opportunity to socialize with other dogs, play to their heart’s content, and even romp around in some of the city’s best off-leash parks, all while being monitored by Rocket Dog’s safety certified staff. Your dog will truly have a blast!

DAYCARE

Daycare is \$33 per day

Exactly what it sounds like. We ask dog parents to bring their dogs to Rocket Dog HQ for a fun filled day of excitement and adventure. All our dogs will play to their heart's content, with a well-rounded group of other dogs that have established themselves as socially appropriate. To ensure proper play, all activities are supervised by the thoroughly trained Rocket Dog Daycare Team and the dogs are engaged to play with each other and the humans as much as they desire. During daycare, we work on positive pup behavior, including recall, socialization, and basic commands through lots of love and positive reinforcement.

DAYCARE PLUS

Daycare Plus is \$38 per day

This is the same as daycare, plus transportation. We'll come to your house in the morning, pick your dog up, and bring them to HQ to spend the day with us. In addition to positive behavior, the Daycare Plus pack also works on leash walking and appropriate car behavior. And once they've had a full day, we'll bring them back home again.

“They [the Rocket Dog team] have made sure that my dog has fun, stays safe, and is exhausted when she comes home.”

- ALINA M.

ADVENTURE PACK

All of the dogs in our pack are invited and encouraged to join our Pack Leaders for off leash adventures. A few times per week, we take a small handful of dogs to some of the local off leash dog parks we have in town. We frequent Magnuson Off-Leash Park & Golden Gardens, and occasionally attend North Acres & Richmond Beach.

There's no additional charge for participation in an off-leash adventure. We take as many dogs as we can - as long as we have the parent's permission. However, there are certain behavioral components that need to be present before we can attempt something like this with each dog.

“A tired, exhausted, and happy pup is the best kind!”

We're happy to talk to you about it more and let you know when we expect your dog to be able to come along!

OVERNIGHT CARE

Boarding is \$50 per night

Dogs staying with us overnight will participate in all the same activities as daycare pups: play outside with the pack, romp through off-leash parks, and run to their heart's content. Then, after a full day of play, your dog will cuddle up with their buddies in our open living room, full of fluffy beds and tired pups. Just like a giant puppy slumber party! All dogs staying overnight will be joined by a Rocket Dog Team member, who will monitor behavior and sleep, feed breakfasts and dinners, and provide belly rubs on demand!

We ask that all boarding dogs schedule in advance of their stay & bring any food, instructions, or medications with them!

“She gets to play all day then have a slumber party with the other pups. It’s a win, win. Whether [it’s] daycare or an overnight, I know she’s in great hands. Take your pup here, you’ll be happy you did.”

- ELIZABETH H.

“They [the Rocket Dog staff] truly go above and beyond, but the best part is that they don’t see it that way. They just provide the care they would want for their own dogs. They are really amazing people. I can’t recommend Rocket Dog enough.”

- JENNIFER M.
